3. The course lasts four months for militiamen, eight months for non-commissioned officers, and twelve months for officers (the officers' school is located in Kamenica, Serbia). In the summer of 1948, the Militia School was moved from Ljubljana to Begunje, near Jesenice. When the course is finished militiamen are sent to Ljubljana for additional training. The main subjects of this course are politics, criminal law, and professional instructions. All students are required to show a proficiency in politics.
